Partners in Education

Come meet with Fr. Paul Mensah, founder of the Awaso Foundation,
and parishioners from St. Catherine Church,
as we plan a service trip to the village of Awaso, Ghana in August 2010.

There are many opportunities to be of service – as a **traveler**

(building housing, sharing teaching and sewing skills),

and as a **partner** here at home

(obtaining and collecting donations

of computers, classroom materials, sewing machines, etc.).
