

## **Does your child love to create?**

### **Miss Feather is offering art lessons!**

**Students of any age will explore the exciting world of visual art by painting, drawing, sculpting, collage, and much, much more!**

**The curriculum will include in-depth studies of the elements of art—line, value, texture, shape, space, rhythm, and color. Students will learn about the styles of master artists, and, most importantly, explore their own personal modes of expression.**

**I will be available to teach art lessons after school from 3 p.m. to 4 p.m. and 4 p.m. to 5 p.m., Tuesdays and Thursdays. On Wednesdays and Fridays, I am available from 4 p.m. to 5 p.m. You may request group lessons (groups of two to seven students) for \$20 per hour, or private lessons for \$40 per hour. A one-time supply fee of \$20 will be required each trimester.**

**I am also available Monday, Tuesday, and Wednesday evenings for private lessons, if you would like me to come to your house.**

**If your child is interested in taking art lessons, please contact me at [hlashbrook@csmh.org](mailto:hlashbrook@csmh.org). I'm looking forward to hearing from you, and beginning this adventure**
