

Garlic City Volleyball Club

We are new competitive outlet for youth volleyball players who love the game and are looking to grow their games outside their school gyms/ teams in the greater South Santa Clara County area. We want above all to offer an enjoyable experience that will help your daughter grow as a person inside and outside of our gym. We have a staff that plays, coaches and love the game. We want to provide a more affordable experience that will offer the same high quality learning/ playing experience offered at other clubs. We plan to offer local and traveling teams from ages 12 to 18 years of age. We will start with open gyms to let the girls get some playing time before tryouts. This will give you the chance to meet and talk to the staff to answer any questions to allow you to determine if we are the right fit for your daughter and her goals in the game. Tryouts will be the following Sunday after the last open gym. We invite all levels of experience to come to open gyms and tryouts. All we ask that you come in with a positive attitude and strong work ethic. We hope to see you on the court soon!

Open Gyms

Date: November 1st and 8th

Where: Bob Hagen Gymnasium at Gilroy High School

Time: 5pm to 8pm

Who: Anyone looking to play volleyball and wanting to tryout for the club
